The highly effective formula protects against moisture and dirt.

„As a manufacturer of chemical-technical products, we are aware of our special responsibility and attach great importance to active ingredients that are gentle on health and resources“.

Daniel Helwig,
Director Sales at TUNAP

Application:

Clean fabric thoroughly and allow to dry completely. Test material compatibility in an inconspicuous area. Spray on evenly from a distance of approx. 20 cm, do not soak. Only use outdoors or in well-ventilated rooms. Light-colored leather may darken.
